addiction**

We focus on Recovery & People.

About Us

At The Bluffs, we provide pioneering care that enables our patients to live out their best, healthiest future. Our focus extends to behavioral health treatments encompassing mental health issues, addiction, and sometimes both.

Our Services

- Safe, Guided Drug & Alcohol Detox
- Engaging Residential Treatment
- Experiential Therapy
(Hiking, Yoga, Boating, Massage)
- Continuing Care
- Veterans Program
(Your Six Recovery)
- Professionals Track
- Specialized Trauma Care
(with EMDR)
- Truly Personalized Treatment

Effective addiction and mental health care requires tailored support that addresses unique patient needs and fosters long-term recovery. At the Bluffs, our patients collaborate with their treatment team to create an individualized treatment approach designed to confront and manage the underlying triggers of their addiction.
